

August 2010

Dear Student,

Re: Enrolment 2010

Your enrolment will take place at the Eccles Centre on Chatsworth Road.

Please come to enrol at the times given below. We try to enrol in school groups so that you can come with your friends.

Please bring with you:

- Your GCSE and any other results. These are vitally important if you are to enrol on the right course. If you do not have them with you, you might have to collect them and then return to the college to enrol.
- Two passport sized photographs (for your bus pass application).
- Complete parental consent form (enclosed with this letter).

There will be information about the Education Maintenance Allowance which you may be entitled to and which could mean that you receive up to £30 per week to support you while at college. You will also be able to talk to careers advisors about courses which match your career aims.

You will also have your photograph taken for our college records and for your student ID card.

When you have agreed a course with one of our admissions tutors and completed enrolment, we will not need you to come into college until Tuesday 7th September, but the college will be open if you have any questions.

If you cannot enrol at the given time, don't worry. Let us know the earliest time you can come in. We will have arrangements for students to enrol late but it is in your interests to make a good start on your chosen course. If you have any language or access needs, please do not hesitate to let us know and we will do our best to meet your needs. Please let us know of any requirements as soon as possible.

Have an enjoyable summer break and we look forward to seeing you soon and welcoming you to Salford City College.

Best Wishes,

Thalia Bell-Taylor
Assistant Principal
